Morganton, North Carolina

Volume XV

Introduction

This Is Your Life students of Morganton High, and as you parade through the year 1958, may it be filled with the truly important events.

As you look at these pictures of our seniors as they were many years ago, and turn the pages to see them as they look now, may you remember that 1958 is not so much the conclusion of our life as it is the beginning of a great and new experience—the experience of entering into the fuller and richer life that comes with the adult years.

Looking back . . . we experienced our first day in school in kindergarten . . . developed an admiration for our teachers . . . made new friends . . . learned our ABC's . . . afternoon "rug" naps . . . our first love . . . rhythm bands . . . marbles and jacks . . . these were our first years.

Then not too long ago . . . our first class party . . . homework . . . changing classes . . . that first corsage . . . no recess . . . this is our present.

During this year . . . spring training . . . basketball pictures . . . pre-game warm-up . . . old track shoes . . . hold that line . . . beat Valdese . . . play ball . . . your first touchdown . . . these were our sports.

Looking forward . . . off to college . . . Uncle Sam beckons . . . favorite pastime: job hunting . . . making new friends . . . the right one comes along . . . treking on the road of life . . . the college of hard knocks . . . calculus, psychology, and political science . . . these will be the future years.

Dedication

To one who best represents the Morganton High School ideals . . . to one who carries out these ideals in everyday life . . .

to one who has played an essential part in the development of our lives for the past four years . . .

to one who dreams but carries out those dreams . . . to one who is prepared and willing to serve us as we serve him . . . to one who is pure in heart, vigorous in mind, discreet in action; who loves deeply—not only his fellowman but also his country and ideals as well—who fears nothing, hates never . . .

to one who can best enjoy and appreciate that freedom which comes from knowledge of the truth . . .

to one who is, above all others, confident of the limitless reaches of human endeavor—and who strives to teach us to endeavor to reach our highest limit . . .

to Mr. F. C. Schiebout, we the 1958 Cat's Tale staff, wish to dedicate this our annual.

School Board

Nathan Cooper, Claude Russell, Mrs. Paul Cash, Maston S. Parham, J. O. Barbour, chairman, Mrs. E. W. Phifer, Charles Carey, and Frank Bowers.

The School Board is an important part of our school program. Among their many responsibilities are the hiring of teachers recommended by the superintendent and the managing of the finances. They lay down the board policies for the operation of our school system according to North Carolina State School Laws. By their wise supervision and careful management, they have helped our school to meet the growing demands of the students and the community. A friendly understanding of school policies and conscientious effort on their part contributes to a better organized school system. We owe deep gratitude and appreciation to these fine people who spend their time and talents that we may have a better educational system.

SENIORS—

Do you remember four years ago?? First—"green freshmen" and we really were—wandering up and down the halls "looking lost"!! And we were always in the way. Also remember the physical ed and the square dancing classes in the gym—

Sophomore year and bugs, frogs, and leaves—maybe just a little wiser, and a little more interested in school activities, too—and another year gone—

Upper classmen at last—and what a combination of fun and hard work—N.C. literature—chemistry lab explosions and the lovely aroma of hydrogen sulfide—two weeks of work and worry and then a climax with our first Jr.-Sr. Prom—

And then our Senior year. . . the last and the best of all. . . the excitement of our homecoming game—and what a victory that night!!!. . . College Day. . . our long awaited trip to Washington. . . Do you remember your Junior year at MHS? Working in the concession stand to raise money for the Junior-Senior, and finally the excitement of decorating the gym. Rushing from class to class with a million things to do. Not quite naive enough to be sophomores, nor sophisticated enough to be seniors. May the joys and pleasures of your Junior year long be remembered after the modern has become the old-fashioned.

The night of October 18 was a long anticipated one for all students of MHS. At last, Homecoming! Before the huge crowd, the eighteen sponsors of our school organizations paraded during the halftime activities. Then the exciting moment of suspense—which one would be queen? The name of Marilyn Hotchkiss, escorted by Bill Browning, was announced with the approval of all. Following the game, a Homecoming Dance was enjoyed by the students. This wonderful night, with its memories of good times, will not soon be forgotten.

Morganton opened the 1957 season with an acute attack of fumblitis. Despite this, they beat Newton. Dennis Bradley scored the only touchdown.

Morganton made it two in a row with another triumph over Hudson. Dennis Bradley again scored the only touchdown.

A fired up Wildcat team was beaten by conference winner Marion. Led by Buck Smith and John Markas, the Wildcats outplayed the highly favored Rippers, but fumbled their chances away and had a few bad breaks. Dennis Bradley scored the only touchdown.

The Wildcats suffered a letdown after the Marion game and were beaten by Wilkes Central. They looked sluggish and obviously were not playing their regular game.

Morganton finally broke back into the winning column with a win over Valdese. Johnny Markas led the Wildcats to a victory over a team which Morganton just could not seem to beat in the last few years. Bucky Smith, Dennis Bradley, and Oval Jaynes scored the Morganton touchdowns. Jaynes and Bradley kicked the extra points.

The Wildcats upset a highly regarded Hickory team with Bucky Smith making the only score. Both the offensive and the defensive play was outstanding.

In its annual homecoming game, Morganton defeated Taylorsville. The Wildcats fumbled and lost in other ways many scoring opportunities and had two touchdowns called back. The touchdowns were scored by Oval Jaynes, Bucky Smith, Jesse Cole, and John Markas.

The flu-bug caught the Wildcats against Forest City, and they were forced to come from behind to win in the final quarter. Skip Winchester and Dennis Bradley tallied for Morganton, and Oval Jaynes kicked the two all-important extra points.

Behind at the half, Morganton roared back in the last half to maul Lenoir. Bucky Smith, Oval Jaynes, and Vernon Winters scored the touchdowns.

Morganton downed Glen Alpine in a game substituted for the Morganton vs. Cherryville game. Bucky Smith closed his brilliant high school career by scoring four of the Morganton touchdowns. Oval Jaynes scored the other two, and also kicked the two extra points. Johnny Markas and Charles Hallyburton also closed their high school careers in a fine style.

The Wildcats finished with an 8—2 record. Led by "Mr." Harris, Coach Broome, and Coach Carter, this team was one of the best in recent years. The Wildcats showed fine sportsmanship and spirit throughout the year, and the students of Morganton High School are proud of them.

Acknowledgements

We wish to thank the following for their co-operation and interest in putting out the 1958 Cat's Tale:

Ralph Edwards for giving us special permission to use the theme, "This Is Your Life," on which this book has been based.

Mr. Schiebout for his continuing interest and help which has made our work easier.

"Put" whose "know-how" has really made this annual.

Mr. Ervin and Mr. Small from Ervin Studios and Mr. Webb for the individual and group pictures; and football action shots which were supplied by "The News Herald." Also Mr. Neely for the help he has given us in making pictures.

Mr. Setzer for his help in arranging for homecoming pictures.

Mrs. W. A. Harbison, Jr. for letting us use her home for superlative pictures.

All business firms for having given in a substantial way an expression of their faith in our endeavor.

The sports editor, Tommy Mull, for the excellent summary of our football season.

The homeroom representatives for aiding the business staff.

The students for purchasing an annual.
